KE 1539 - Endocytotic lysosomal uptake

Endocytotic lysosomal uptake Molecular

Endocytosis was discovered by the Belgian Nobel laureate Christian De Duve in 1963. Endocytosis is a form of active transport in which molecules are transported into the cell by engulfing them in an energy-using process. In endocytosis, the material to be internalized is surrounded by an area of pl...

Step 2: Select Pathway

B

Pathway Suggestions (8)

SNARE complex machinery in exocytosis Semantic Genes: 0/7 Set: 18 genes

Combined 85% EXCELLENT MATCH

ID: WP5621 | Primary: Semantic Match | View on WikiPathways

Preview Pathway

Cytosolic DNA-sensing pathway Semantic Genes: 0/7 Set: 73 genes

Combined 84% EXCELLENT MATCH

ID: WP4655 | Primary: Semantic Match | View on WikiPathways

Preview Pathway

Extracellular vesicle-mediated signaling in recipient cells Semantic Genes: 0/7 Set: 29 genes

Combined 82% EXCELLENT MATCH

ID: WP2870 | Primary: Semantic Match | View on WikiPathways

Preview Pathway

C

	Disruption, Glucolipid metabolism → Glycolysis and gluconeogenesis	Type: **None → responsive**		Approved	CEST
554	**KE 2300 → WP3965** Disruption, Glucolipid metabolism → Lipid metabolism pathway	Confidence: **None → high** Type: **None → responsive**	github:marvinm2	Approved	2026-08-10 09:53:58 CEST
553	**KE 2299 → WP408** Altered, Redox Homeostasis → Oxidative stress response	Confidence: **None → high** Type: **None → other**	github:marvinm2	Approved	2026-08-10 09:53:36 CEST
552	**KE 2265 → WP1772** Oligodendrocyte death, increased → Apoptosis modulation and signaling	Confidence: **None → high** Type: **None → responsive**	github:marvinm2	Approved	2026-08-10 09:52:58 CEST
551	**KE 2244 → WP3611** Altered Stress Response Signaling → Photodynamic therapy-induced AP-1 survival signaling	Confidence: **None → medium** Type: **None → responsive**	github:marvinm2	Rejected No reason provided	2026-08-10 09:52:30 CEST
550	**KE 2242 → WP4875** Abnormality, dendritic spine morphology → Disruption of postsynaptic signaling by CNV	Confidence: **None → medium** Type: **None → other**	github:marvinm2	Rejected No reason provided	2026-08-10 09:52:06 CEST
